The Honorable Board of Supervisors

Los Angeles, California 90012

Dear Supervisors:

RECOMMENDATIONS REGARDING 2012/13 GRANT AWARDS FOR CULTURAL SERVICES (ALL DISTRICTS) (3 VOTES)

SUBJECT

The Organizational Grant Program contracts with arts organizations across the County to provide art services. Grants for concerts, theatre productions, exhibitions, in-school and out-of-school arts education programs and core operations help these organizations enrich the lives of County residents.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve the recommendations of the Arts Commission for the Fiscal Year 2012/13 Organizational Grant Program for grants to 175 nonprofit arts organizations at a cost of \$4,118,000.
2. Instruct the Arts Commission Executive Director to prepare, sign and execute these contracts after County Counsel approves as to form.
3. Delegate authority to the Arts Commission to reallocate forfeited grant awards, not to exceed \$100,000 in aggregate, to existing Board-approved grantee organizations and instruct the Arts Commission Executive Director to amend these contracts accordingly.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of this recommended action is to disburse grant funds allocated by your Board. This is the annual implementation of the Organizational Grant Program (OGP). All organizations apply for two years of consecutive funding and all award amounts are for two years.

Organizational Grant Program I/Small Budget Organizations

This category provides support for nonprofit arts organizations with budgets under \$100,000 and two years of producing history. Applicants may request grants for projects up to 15% of their annual operating budgets each year, with a minimum request amount of \$2,850/year. OGP I grant funds will be disbursed to 68 nonprofit arts organizations (see Attachment pg. 1-3) at a cost of \$789,000.

Organizational Grant Program II/Mid-Size Budget Organizations

This category provides support for nonprofit arts organizations with budgets between \$100,000 and \$500,000. Applicants may request grants up to 6% of their annual operating budgets each year with a minimum request of \$10,500/year. OGP II grant funds will be disbursed to 67 nonprofit arts organizations (see Attachment pg. 4-6) at a cost of \$1,122,000.

Organizational Grant Program 2.5/Mid-Size Budget Organizations

This category provides support for nonprofit arts organizations with budgets between \$500,000 and \$1.5 million. Applicants may request grants up to 4% of their annual operating budgets each year with a minimum request of \$17,500/year. OGP 2.5 grant funds will be disbursed to 20 nonprofit arts organizations (see Attachment pg. 7) at a cost of \$778,600.

Organizational Grant Program III/Large Budget Organizations

This category provides support for nonprofit arts organizations with budgets over \$1.5 million, including major Los Angeles County institutions, to ensure accessibility. The focus is on programs that increase access to cultural services for County residents. Applicants may request grants from 0.5% to 2% of their annual operating budgets each year with a minimum request of \$35,000/year. OGP III grant funds will be disbursed to 20 nonprofit arts organizations (see Attachment pg. 8) at a cost of \$1,428,400.

The Arts Commission utilized discipline peer panels to review and score all applications and to make recommendations to the Arts Commissioners. The Arts Commissioners reviewed these scores and are submitting funding recommendations to your Board for approval.

Grants amounts are awarded utilizing a formula adopted by the Arts Commission. Awards are based upon the organization's budget size, which determines the request allowable under the guidelines. A percent of the request is then awarded based upon the score assigned it by the discipline peer panel and the Arts Commissioners. Scores are determined by evaluating the organization's artistic quality and accomplishments, quality of standards-based K-12 arts education services (if applicable), services to community/audience, evaluation methodology, and fiscal and administrative competence.

Upon notification of a forfeited OGP grant award, the Arts Commission will reallocate the forfeited funds to existing Board-approved grantee organizations. The reallocation will be approved by the Arts Commissioners.

For the Fiscal Year 2011/12, forfeited funds from two of the 184 organizations awarded grants through the OGP were reallocated to Board-approved grantee organizations. The Executive Director will notify your Board of the Commission-approved allocation of forfeited funds on a semi-annual basis.

Since funding is over two years, organizations that receive grants apply every other year. For your information, attached is a list of grants that were made last fiscal year (Attachment pg. 9 -13) to provide you with full perspective of all arts and cultural organization that are supported through this program. A total of \$4,118,000 was allocated in Fiscal Year 2011/12 as follows: 71 organizations received funding in the OGP I/Small Budget category; 70 organizations received funding in the OGP II/Mid-Size Budget category; 28 organizations received funding in the OGP 2.5/Mid-Size Budget category; and 15 organizations received funding in the OGP III/Large Budget category.

FISCAL IMPACT/FINANCING

The current allocation of \$4,118,000 for Fiscal Year 2012/13 represents level funding with 2010/11 and an 8.9% reduction from 2008/09, the last two times this group was eligible to receive grants through the Organizational Grant Program.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The County is authorized to contract with any firm or corporation for artistic services for the residents of Los Angeles County. The contractor will be governed by the policy and guideline requirements of the Arts Commission.

CONTRACTING PROCESS

The County will pay to Contractor, in consideration of services to be performed and fulfillment of matching requirements, a specific grant award sum (see Attachment pg. 1-8).

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This program insures that a wide variety of cultural services will continue to reach County residents. In addition, 84, or 48%, of 175 Fiscal Year 2012/13 OGP organizations have applied for funding to pay for salaries or job creation. This will positively impact the residents of Los Angeles County through increased job opportunities.
